SUMMARY

Warm, empathetic and organised, with a gift for helping every person I support feel understood, confident and in control of their own plan. I bring hands on case coordination skills, calm crisis planning, positive energy, great communication and sharp attention to detail to every client relationship, backed by experience across Australia, Mexico and Canada coordinating aged care, NDIS, mental health and neurodivergent supports including ADHD and autism. Away from coordination, I bring a fun cultural twist, I love cooking healthy dishes and creating a clean, structured, positive home environment for every client I work with.

WORK EXPERIENCE

NDIS Support Coordinator (Remote) *Autism Support, In Home Care, Gold Coast, QLD*

July 2025 to July 2026

- Coordinated one on one support services remotely for a young client with autism through a significant family transition, ensuring continuity and stability across all providers
- Monitored the individualised support plan and liaised with allied health providers via phone and video check ins to align services and budget use with client goals
- Recommended sensory friendly strategies, structured routines and calm communication approaches suited to autism support
- Built trust and rapport with client and family through consistent, clear remote coordination during a period of change
- Liaised regularly with family and providers to review progress and adjust the support plan

Aged Care Support Coordinator (Remote) *Personal Care and Medication, Gold Coast, QLD*

March 2025 to June 2025

- Coordinated personal care services remotely for an elderly private client, ensuring all providers followed safety and hygiene protocols
- Oversaw medication administration schedules and maintained accurate records for family peace of mind
- Monitored daily routines including mobility, hygiene and mealtime support via regular remote check ins, delivered with dignity and patience
- Helped establish a calm, nurturing home environment through consistent provider oversight
- Maintained clear, transparent communication with family on care plan progress

Mental Health Support Coordinator *Private Client, Gold Coast, QLD*

March 2025 to June 2025

- Coordinated steady emotional support and companionship services for a client navigating a mental health transition
- Connected client with appropriate supports and modelled active listening and calm, non judgmental communication
- Helped structure daily routines and self care tasks, building the client's capacity for independence
- Maintained a safe, respectful and trusting relationship with client and support network throughout the coordination period

NDIS Support Coordinator *Multiple Clients, ADHD and Autism Support, Brisbane, Australia*

February 2025 to March 2025

- Coordinated extended shift support arrangements for multiple clients with ADHD and autism simultaneously
- Liaised with providers to arrange nutritionally balanced meals tailored to individual dietary needs
- Oversaw personal care routines including hygiene and toileting support, ensuring consistency across providers
- Assumed full responsibility for coordinating all support arrangements in the family's absence, demonstrating strong multitasking and crisis management skills
- Adapted service coordination seamlessly to each client's individual support plan

NDIS Support Coordinator *ADHD Client, Routine and Behaviour Support, Vancouver, BC*

January 2025 to March 2025

- Coordinated reliable transport and community access supports, ensuring safe transitions between appointments
- Supported an ADHD client's individualised routine through structured, engaging activity coordination
- Developed calming strategies and positive behaviour support techniques suited to the client's needs
- Delivered bilingual Spanish communication support through structured, engaging exercises
- Maintained proactive communication with family to continually adjust the support plan

Disability Support Worker *Vancouver, BC, Canada*

December 2023 to November 2024

- Coordinated an active, engaged lifestyle for clients through daily mobility and outdoor activity planning
- Delivered bilingual Spanish support through conversation, storytelling and music
- Supported clients to build and maintain functional daily living skills aligned with individual goals
- Liaised with providers to arrange nutritious meals in line with individual dietary requirements
- Maintained a safe environment in line with all safety protocols and monitored service delivery
- Coordinated safe transport for appointments and outings
- Oversaw hands on personal care including hygiene support and medication assistance

WORK EXPERIENCE

Support Worker *Mental Health and Aged Care, Private Client, Zamora, Michoacan*

February 2021 to September 2022

- Maintained a clean, sanitised living environment to support client health and wellbeing
- Followed structured daily routines set collaboratively with family
- Created a safe, trusting environment where clients felt supported to engage and communicate openly
- Prepared nutritious meals tailored to individual needs
- Ensured client safety and wellbeing during family absences due to work commitments

Support Worker *Maternal and Aged Care Support, Jacona, Michoacan*

April 2021 to December 2021

- Due to my culture and passion, I began supporting a family friend and her ageing relative at just 15 years old
- Provided a calm, supported environment during a challenging period, respecting each person's independence
- Followed strict hygiene protocols to maintain a safe, healthy space during COVID 19
- Promoted independence in daily tasks wherever possible
- Assisted with meal preparation, personal care and rest routines while the family attended medical appointments

VOLUNTEER WORK

Volunteer Support Coordinator *Learning Difficulties and Disability*

January 2023 to August 2023

- Coordinated one on one literacy support services to build confidence and communication skills
- Facilitated engaging, creative activity plans tailored to individual learning needs
- Helped maintain a calm, organised and welcoming environment
- Built genuine, supportive relationships to encourage continued learning and participation

NDIS Support Coordinator *ADHD Client, Learning Support, Zamora, Michoacan*

January 2023 to October 2023

- Adapted communication and coordination style to suit an ADHD client's individual learning needs
- Supported homework and daily structure planning in a calm, encouraging environment
- Coordinated transport and daily routines to support consistency
- Built a fun, engaging space that made learning approachable and enjoyable
